

# Your MANAGEMENT EXAM toolkit

We know that preparing for your Management case study exam can be demanding, especially if you are short of time. Here are some tips and top resources handpicked from [CIMAconnect](#).

## TOP TIP!

Be sure to join the [Management level group](#) and [Management Case Study exam group](#) on CIMAconnect so that you receive the right recommendations to help you with your revision.

## Top 10 resources

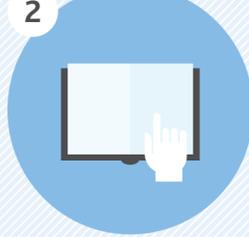

1

### STUDY AND EXAM GUIDE

Prepare yourself by knowing [what to expect before and during your Management case study exam](#).

2

### GET EXAM READY

Things you need to know in [preparation for your Management case study exam](#).

3

### POST EXAM KIT

After every exam window, we release a post exam kit that contains the below materials. You can find them in the ['Resources'](#) section – simply search 'post-exam'. They are particularly helpful in painting a picture of what the examiners are looking for when marking the case study exams. Each post exam kit contains:

- Pre-seen material
- For each variant:
  - Exam question
  - Suggested answers
  - Examiner's report
  - Exam marking guidance

### LATEST PRE-SEEN MATERIAL

Watch out for the [release of the pre-seen material](#). We publish it seven weeks before the exam. You can find it in the ['Resources'](#) section. Simply search 'Pre-seen material' for your exam window.

4

5

### HOW TO USE THE CASE STUDY PRE-SEEN MATERIAL

To ensure you make the best use of the pre-seen material look at our guide on [how to use your pre-seen material](#).

6

### UNDERSTANDING ROLES TO HELP YOUR CASE STUDY APPROACH

The case study exams reflect the real working environment. It is important for you to understand [the role you play](#) when answering the exam.

7

### GUIDES TO PREPARING A REPORT AND AN EMAIL IN THE CASE STUDY EXAMS

Just like an office environment, you will need to prepare [emails](#) and [reports](#) as part of your exams. Here are some helpful hints on how to prepare them effectively.

8

### FM STUDY NOTES ARTICLE

[Read this article](#) which explains how the case study exams are a test of what you can do, not just what you know.

9

### CALCULATOR GUIDANCE

Did you know that you will have an on-screen calculator available during the exam? For a limited time only you are also allowed to bring in calculators from selected brands and models. [Find out more](#).

10

### RESULTS EXPLAINED

Make sure you understand [how you will be assessed](#) and how your results will be presented by watching these videos.
